

ALS USER SAFETY CERTIFICATION

E.O. LAWRENCE BERKELEY NATIONAL LABORATORY

I certify and acknowledge that:

1. I am responsible for my safety.
2. I am responsible for the safe conduct of the experiment and/or research I am conducting and for providing the necessary knowledge and planning for dealing with hazards or potential accidents connected with my experiment and/or research.
3. I have completed and understand the ALS safety training modules.
4. I must obey all LBL and ALS safety rules, procedures and requirements.
I acknowledge that if I do not obey these requirements I may not be allowed to conduct research at ALS.
5. I will abide by all other safety rules, procedures and requirements that I may be informed of during my appointment at LBL.
